

The advertisement features a collection of high-end jewelry, including several diamond-encrusted rings in white, yellow, and rose gold, and a matching necklace. The jewelry is displayed on a white reflective surface. In the background, a woman with blonde hair is smiling with her eyes closed. The entire scene is framed by a large green circular graphic element.

oSwift

**www.oSwift.com is Your
Free Online Market**

oSwift offers complimentary online marketing, online marketing jobs, an online marketplace, online marketing tools and zero commission online advertising. All listings are priced in Bitcoin, Swiftcoin or any currency at user's discretion.

The oSwift cryptocurrency and Bitcoin market help consumers discover where to spend Bitcoin, new online marketing strategies, online marketing tools and where to get Bitcoin. Bitcoin and Swiftcoin bring new sales opportunities. The digital currency marketplace at oSwift increases your exposure and market share.

The oSwift cryptocurrency swap and trade site gives users a sales and advertising platform for ads including:

- Boats
 - cars
 - Real Estate
 - Gold
 - Silver
 - Jewellery
 - Numismatics
- and much more**

The platform enables sellers to earn Bitcoin, SwiftCoin and other coins. oSwift is a force multiplier for Alibaba, eBay, Craigslist and other Internet markets. There are far fewer restrictions, no charge for registration and no commission at oSwift. Once listed, an item or service for sale can be linked to social media such as Facebook and may include links back to the seller's own website.

On the buy side, Bitcoins and Swiftcoins spent at oSwift help to conserve cash. When sellers list items on oSwift.com and accept Swiftcoin as a payment alternative, they expand their reach and market share is increased.

As with Bitcoin, Swiftcoin remains in its Swiftcoin wallet indefinitely and Swiftcoin wallets can be moved from any computer, iPhone or pen drive to another device at will. Swiftcoin wallets can also be backed-up to clone wallets on other machines.

oSwift has the potential to host employment, contracting and housing opportunities and to monetize swaps, deals, endorsements and intangible social networks. Connections acquired over a lifetime can be put to work. Bitcoin and Swiftcoin are the seamless payment methods that increase your ability to buy and sell.

List your entire inventory for free at oSwift. We can install a plugin that automatically lists your items for sale as they become available at your online shop.
